

h = Healer
G = Guard

The wounded guards need to have AD's about them dying,
telling their wives that they love them etc etc.
The healers are telling them it will be alright etc.

Healers patching up
wounded guys in the beds

A healer sitting next to a wounded guard

A healer sitting next to a wounded guard

Guarding the wounded

A healer sitting next to a wounded guard

Table with healing supplies
a healer walks to the table does
something and walks back to the
bed to patch up the wounded
