

Exp_AC_LuxuriusDungeon

Booster Room

This room has four dragon statues with markings underneath them. These markings correspond with the flames in the other rooms. The player can interact with the statues and set their flames to either, red, orange and green. The key to the Luxurius house appears after this.

Flame Room1

This room has two dragon statues. One with orange fire and one with green fire.

Flame Room2

This room has two dragon statues. One with orange fire and one with red fire.

LockPick Chest

A locked chest with lock pick level 3.

Poison

Poison

Poison

Small Booster 1

A locked chest, with the key in the rubble a couple of meters back.

Harem Backdoor

This is the exit to the Harem Backdoor house. The player arrives from here.

Luxurius' House

This is the exit to Luxurius' house. It's locked.
