

Exp_AC_PerfumerHouse

Chanelle is hiding the fact that she supplies the asylum. When you speak to her while she's standing next to the secret room you can actually ask about it. She'll deny that there is a secret room but you can rub it in and she'll deny it even more. At a certain moment she even denies that she's in the house.

Secret Pharmacie 1: Need all kinds of herbs and effects going on in here
I want the player to want to go in here.

Teleport to Chanelle's house 1

Secret Pharmacie 2: Need all kinds of herbs and effects going on in here
I want the player to want to go in here.

Teleport to Chanelle's house 2
