

FROM THE REAR OF THE PLANE  
WE SHOW IT STARTING TO TILT  
ALARMINGLY AS GEDAGE'S  
WEIGHT CAUSES IT TO IMBALANCE

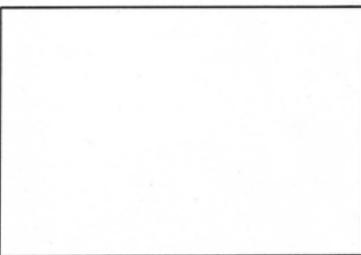

CUT WIDE TO THE RIGHT EXTER-  
IOR OF PLANE, FACING SOMEWHAT  
DOWNWARDS. WE SEE IT SHIFTING  
OMINOUSLY + ESTABLISH HOW  
PRECARIOUS THE SITUATION IS.

CUT TO INTERIOR OF PLANE + TO THE SIDE  
SHOWING GEDAGE FULL BODY JUMPING  
HASTILY BACKWARDS ABOUT 1/2 METRE  
TO COUNTERBALANCE THE EFFECT.

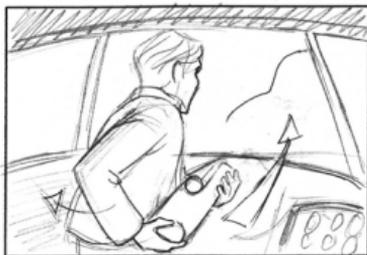

CUT TO EXTERIOR OF PLANE  
AGAIN, RIGHTING ITSELF

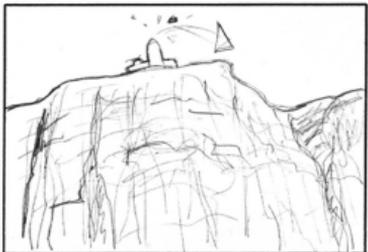

CUT TO INTERIOR OF PLANE AGAIN  
SHOWING GEDAGE

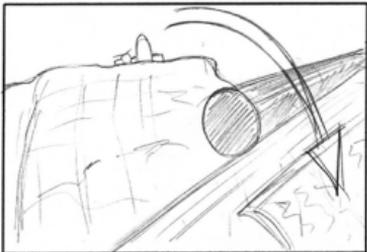

CUT CLOSER TO BEHIND + RIGHT  
OF GEORGE WITHIN COCKPIT. HE  
CHANGES HIS GRIP ON THE EXTING-  
UISHER, TOSSING IT SLIGHTLY IN  
THE AIR + CATCHING IT LIKE A BABY

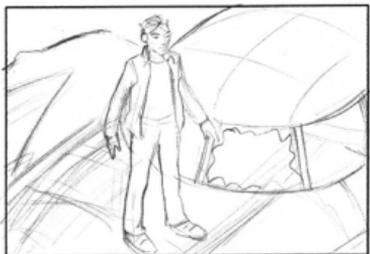

HE THEN STARTS TO SWING THE  
EXTINGUISHER TOWARDS THE  
CRACKED WINDSCREEN.

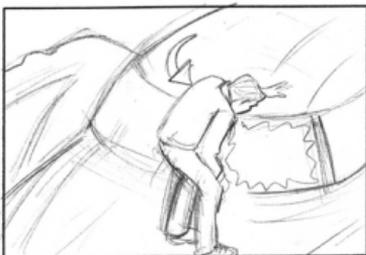

CUT TO FAR BELOW THE PLANE  
LOOKING PRACTICALLY STRAIGHT UP  
THE CLIFF. IN THE DISTANCE WE  
CAN SEE THE GLASS FLYING OUT  
ALONG WITH THE EXTINGUISHER.

THE EXTINGUISHER STEADILY  
GROWS LARGER, SLOWLY TURNING,  
AS IT FLIES DOWN TOWARDS THE  
CAMERA UNTIL, WITH A WHOOSH,  
IT SPEEDS PAST + OUT OF SIGHT.

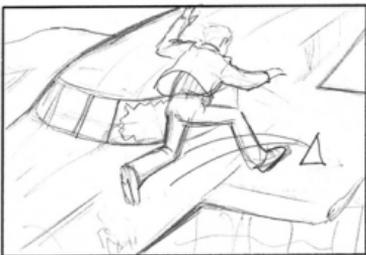

SHOT OF WINDSCREEN AREA  
WITH FULL BODY GEORGE OUTSIDE  
STANDING ON THE NOSE BENEATH  
WINDSCREEN.

GEORGE HALF TURNS, LOWERS HIS  
HEAD NEAR THE OPENING + SHOUTS  
FOR HARRY TO FOLLOW HIM OUT.

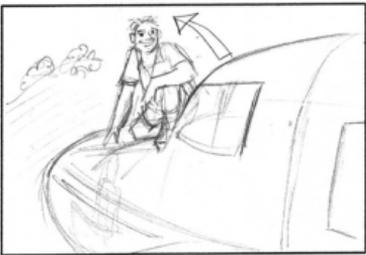

CUT TO INTERNAL AT AREA OF  
PLANE WHERE HARRY IS STILL SITTING  
ON CRATE. HE GIVES GEORGE THE THUMBS  
UP + WE CUT AWAY AS HE STARTS  
TO RISE TO HIS FEET.

CUT BACK TO EXTENSION OF PLANE  
SHOWING WIDER SHOT OF WINDSCREEN  
PLUS BROKEN WING TO RIGHT OF SHOT.  
GEORGE LEAPS FROM FUSELAGE TO WING.

AS HE LANDS WE CUT CLOSE  
TO HIS HEAD + SHOULDERS FROM  
SLIGHT ANGLE. HE COMES TO A  
BRIEF BALANCING STOP CENTRE  
FRAME, LOOKING EXTREMELY SHEEPISH + WORRIED AS PLANE STARTS TO TILT.

FROM WHERE GEORGE IS ON WING  
WE SEE END OF HARRY CLIMBING OUT  
ONTO PLANE'S NOSE. OBVIOUS HE CHEERS  
"HEY WE MADE IT OUT. WE'RE SAFE!"
